***Congratulations to you both
on your commitment to
marriage.***

My ceremonies are personalised, fun, current, interactive, emotive, and responsive. I have always received laughter from every wedding, and I take care of all your legal work and the ceremony, so you don't have to worry about it!

What's the Celebrant cost?

Once provided with the ceremony date/location/& time, I am able to provide a quote for a personalised bespoke (relaxed and fun) ceremony. Cost start from \$590+ (gst inclusive)

I also arrange your internationally recognised legal Marriage Certificate from the Marriage Registry Office which the Registry Office charge \$65 <https://bit.ly/33HGZNL> . It can be used for change of name purposes, taxation, Medicare, banking loans etc. I don't charge a fee to apply for this on your behalf.

What's the role of the Celebrant?

Preparing and lodging your legal documents needed for the NSW Marriage Office such as your 'Notice Of Intended Marriage' (NOIM) etc

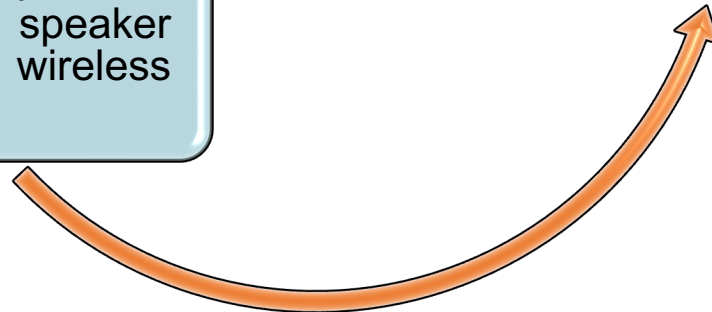

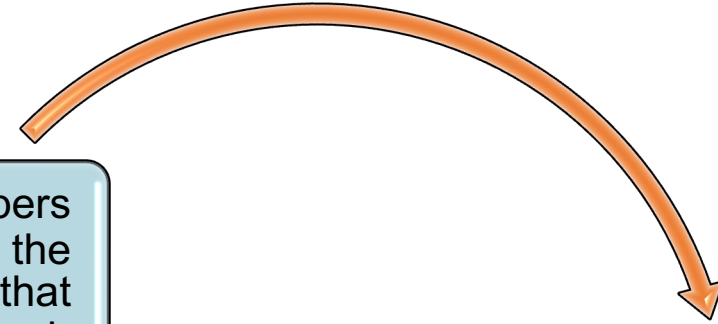

Conducting the ceremony on your wedding day which includes quality portable BOSE S1 Pro+ speaker and Sennheiser wireless microphone

Registering all the papers with the Office of the Attorney General that makes your wedding legal

Presentation of your souvenir Marriage Certificate on your wedding day

Optional at no additional cost for my service arranging your internationally recognised legal Marriage Certificate from the NSW Marriage Office which they charge \$65

Think of me as your wedding ceremony director and your lawyer for the day

Arrange a free meet with no obligation

Let's arrange an obligation & **free** meeting at a time that suits you both for us to meet either on Zoom or a face-to-face meeting at my office in Kyle Bay which will give us the opportunity to meet each other and go through any questions you may have?

Tuesdays, Wednesdays, & Thursdays between 11am-7pm are usually my most flexible days for meetings around my wedding commitments.

What's the first step?

The Notice Of Intended Marriage (NOIM) is **legally required to be signed at least one calendar month before the wedding** but I like to get this out of the way early, and then we can then work on putting together the perfect ceremony for you.

This is what the NOIM looks like <https://bit.ly/3KNo6d4> (there's no need to print NOIM in the link, I prepare this for you)

Looking for a professional MC?

I offer a package deal with a [huge discount](#) if I am your Celebrant for the ceremony and your professional MC for the reception.

If this sounds of interest, let's talk about it!

You get to own me for the day, I'm that easy to own!

What's the role of an MC?

When I MC I handle the responsibility of hosting and logistics for you on the day so you get to enjoy your reception without needing to deal with any of it, and your guests experience the reception as an entertaining and professionally managed event.

This includes the reception run time from guests entry, liaising with the venue (food and bar staff), run times of speeches, guests seating, photographers, and all entertainment booked. I ensure a smooth running of your entire reception for you.

I can also assist you ideas/contacts with games and shows, special effects, etc and putting together a personalised and perfect run sheet to suit you and the venue.

And it comes with a costume change between my celebrant and MC roles hahaha
