My ceremonies are designed to be interactive, emotional, and full of laughter. I handle all the legal aspects, so you can relax and enjoy your special day creating everlasting memories.

I also arrange your legal official marriage certificate recognised internationally. This document is essential for various purposes, including name changes, tax filings, Medicare enrolment, securing bank loans etc. The Marriage Registry Office charges a \$70 fee for the certificate, but my services cover obtaining it at no extra cost to you.

What's the role of the Celebrant?

Arrange a free meet with no obligation

Let's schedule a no-obligation, free consultation, either in person at my office or via Zoom, to discuss your needs and answer any questions creating your unique wedding day!

I offer flexible scheduling. Tuesdays, Wednesdays, and Thursdays are ideal for meetings between 11AM and 7PM, depending on my wedding commitments.

What's the first step?

The [Notice Of Intended Marriage \(NOIM\)](#) is **legally required to be signed at least one calendar month before the wedding**, but I like to get this out of the way early, and then we can work together to craft a ceremony that reflects your unique love story.

Note: I prepare the NOIM for you, and all your legal documents.

What's the role of an MC?

Experience a professionally managed reception. As your MC, I'll take care of all the details, so you can focus on celebrating with your guests.

Let me handle the logistics while you enjoy your reception. I'll coordinate everything from guest arrival to entertainment, ensuring a smooth and enjoyable experience.

Want to add a touch of fun or excitement to your celebration? I can provide ideas for games, shows, or special effects, and tailor the event timeline to fit your venue and preferences.

And it comes with a costume change between my Celebrant and MC roles *hahaha*
